A stone statue of a cherub, likely a putto, stands in a garden. The cherub has curly hair and is holding a large bouquet of roses in its right arm. The statue is weathered and appears to be made of stone. In the background, there are lush green trees and a white building with a balcony. The scene is bathed in soft, natural light.

VILLA
DEL
DELFINO

Una dimora principesca, dove specchi d'acqua riflettono il gusto di un tempo fastoso. La regalità ottocentesca ispira lo stile contemporaneo, la preziosità delle finiture ospita la ricercatezza dei particolari e la luminosità degli spazi esalta i chiaroscuri delle composizioni. L'ecclettismo degli ambienti accoglie l'eleganza del design in un connubio perfetto.

~

A royal mansion where water pools reflect the flair of a magnificent age. Nineteenth Century grandeur inspires contemporary style, sophistication of finishes goes together with accuracy of details and the rooms' brightness highlights the chiaroscuro effects of the compositions. The eclectic nature of the premises and their elegant design make a perfect combination.

VILLA
DEL
LAGO

Una villa romantica, affacciata su quel lago che fu testimone di una celebre promessa d'amore. Bellezze naturali si sposano con architetture superbe, il calore della luce avvolge un'eleganza senza tempo, la nobiltà degli spazi abbraccia tessuti e materiali pregiati, la classicità delle forme corteggia dettagli moderni. Il lusso aristocratico incontra il design contemporaneo che qui, come in un romanzo, si promettono amore eterno

~

A romantic villa facing the lake that guarded a well-known love promise. Natural beauties matching exquisite architecture works, the balmy light shedding on a timeless elegance, the majesty of the premises unfolding over fabrics and precious materials, the classical spirit of shapes winking at modern details. Aristocratic luxury meets contemporary design and they promise each other an endless love, just like in a romance.

A close-up photograph of a classical architectural capital, likely made of stone or plaster. The capital features intricate carvings, including a central volute (scroll) and a base decorated with a series of small, repeating, shell-like or leaf-like motifs. The lighting is soft, highlighting the texture and depth of the carvings. The background is slightly blurred, showing more of the architectural structure.
