L'alleanza inedita tra passato e futuro è il tema del trend Deltasalotti 2016. Il concept dello stand Deltasalotti 2016 è stata costruito intorno alle esigenze dell'uomo moderno. L'essenzialità delle forme, la ricercatezza dello stile e il lusso del comfort traducono perfettamente quelle che sono le proposte della nostra nuova collezione. I toni neutri dei divani si combinano perfettamente con dettagli e accessori dai toni più accesi rendendo lo stand nell'insieme dinamico e armonioso. Questa suggestiva architettura fa da cornice ai nostri prodotti completamente realizzati a mano dai nostri artigiani altamente qualificati e con l'utilizzo delle migliori pelli, dalle più curate laccature. Delta Salotti è 100% qualità italiana. I divani, le poltrone, i pouf, i complementi e le stampe fanno parte del catalogo Delta Salotti e vengono realizzati su design esclusivo Delta Salotti. Il nuovo concept proposto può essere fonte di ispirazione per la realizzazione o rinnovamento di nuovi spazi espositivi in linea con lo stile aziendale. Artigianalità e innovazione sono le caratteristiche chiave dei nostri prodotti messe in risalto attraverso un'esposizione di carattere.
